

From “I do” to Rescue!

Planning a wedding, bridal shower, or just celebrating love?

Trade traditional gifts for something that truly matters. By asking guests to give to the Louisiana SPCA in lieu of gifts, you can help provide comfort, care, and second chances to animals who need it most.

The Louisiana SPCA can set up a custom donation page, provide a dedicated QR code, and send gift acknowledgements on your behalf.

Your love story can help write a happy ending for animals in need - and that's something worth wagging about.
